GLGC Objective

The Objective of the Gungahlin Lakes Golf Club is to foster the game of golf in Gungahlin and the ACT, and develop and maintain a first class golf facility.

GLGC Golf Committee

The Committee shall be structured as seven (7) office bearers plus five (5) other members, elected by the Voting Members of the Club at the Annual General Meeting. Only Full Financial members of Gungahlin Lakes Golf Club are eligible to hold office as an Office Bearer.

Office Bearers

President	Bob Gordon
Vice President	Norm Loughton
Captain	Lindsay Warden
Vice Captain	Peter Raiser
Secretary	Wendy Howe
Treasurer	Ward Gainey
Women's Captain	Christine Gainey

Committee Members

Handicapper	Steve Whiting
Pennants/Matchplay	Ron Hickman
Greens	Owen O'Brien
General	Tony Fleming
General	Jim Pocock

Sub-Committees

A – AFSC/GLGC Consultative Committee	Chair – Brian Dobson
G – GLGC Greens Committee	Chair – Tony Wood
M – GLGC Match Committee	Chair – Lindsay Warden

Club Professional - Murray Blair

mblair@igolfallday.com

Course Superintendent - Shane Dawson

greenkeeper@lakesgolf.org

Handicap Information

To obtain a handicap, a new member must submit three cards signed (marked) by a player with a Golf Australia handicap (showing clearly the marker's name and GolfLink number). Each card must show the date of the round, be signed by player and marker and be clearly marked FOR HANDICAP. Handicap cards must be placed in the Handicap Box under the first Notice Board.

NOTE: Do not book in to fourball events when playing for handicap.

Lapsed Handicaps

If a member does not record three scorecards in a calendar year on GolfLink, their handicap will lapse. To re-activate the handicap, the member must submit three cards played in a club competition round and signed by a person holding a Golf Australia handicap. Scorecards must be clearly marked LAPSED HANDICAP and placed in the Handicap Box under the first Notice Board. These cards will be processed as "Extra and Away" cards in GolfLink.

Handicap Grades

Standard handicap ranges for Men's competitions in 2010 are:

A Grade 0 to 11 B Grade 12 to 18 C Grade 19 to 36

Division 1 0 to 16 Division 2 17 to 36

Grades/Divisions may be adjusted in major events to equalize player numbers in each Grade/Division.

Member Competitions

Entry fee for member competitions is \$6 except for special charity days and some Club competitions which include lunch. Member competitions are held as follows:

Saturday Club competition
(tee times approx 7.00am to 12.30pm)

Sunday Club competition
(tee times approx 7.00am to 12.00pm)

Wednesday Pro Shop competition
(tee times approx 7.00am to 12.30pm)

The Pro Shop also conducts a weekly nine hole competition. Register and play nine holes on any day Monday to Friday – entry fee is \$4 for each nine holes played. Prizes are determined at the end of each week.

Complaints / Suggestions

All complaints/suggestions should be made in writing to the Secretary for consideration by the GLGC Committee. It is expected that these will be of a constructive nature so as to aid the growth and development of the Club. No employee of GLGC shall be reprimanded by any Club member. Any complaint about staff is to be submitted in writing to the Secretary.

GLGC Membership

Full Playing Member: Full playing rights to the course.

6-Day Member: Full playing rights except for Saturday.

Weekday Member: Full playing rights Monday to Friday only.

Student (under 25 years) and **Junior** (under 18 years) full playing memberships also available.

More information is available on our website (www.lakesgolf.org).

Responsibility of New Members

It is the responsibility of the Proposer and Seconder to see that the new member is introduced to the members of the Committee, particularly the President and Captain. New members should become familiar with all the rules governing the conduct of the Club and etiquette on the Course, and should attend a "New Members Night" at the first available opportunity.

Reciprocal Clubs

A list of Reciprocal Clubs can be found at the rear of this Handbook. Please remember that when visiting any other Club, you are an ambassador for Gungahlin Lakes Golf Club. Use your GolfLink Card as a form of introduction but be mindful that the Club you are visiting may not yet be on GolfLink and you should consider taking a GLGC Handicap Letter of Introduction with you. This letter can be obtained from the GLGC Committee or the Pro Shop. All members receive a handicap card when joining or renewing – this card can be signed by the Golf Committee or Pro Shop and used for handicap purposes.

Eligibility for Club Championships

To be eligible to enter the Club Championships, a financial member must have completed five (5) singles events in the preceding four months and the member's scores must be recorded in GolfLink. Rounds may have been played at other courses.

Honour Board and Special Events

For Honour Board and other specified events, five day and six day members may, at the discretion of the Committee, be granted full playing rights to compete in such events.

General Etiquette and Golf Administration

Under the Rules of Golf 2008-2011 (Section 1 and Rule 33-7), a player may be either disciplined or disqualified for any serious or continued breach of etiquette.

Dress Standards

Neat casual dress is the minimum standard expected at Gungahlin Lakes Golf Club.

For men, a collared shirt or approved golf style shirt must be worn at all times. Slacks, tailored casual shorts or Bermuda shorts with belt loops may be worn. Socks should be predominantly white. All clothing is to be in good repair.

For ladies, acceptable attire includes skirts, slacks, culottes, tailored shorts, ¾ length pants. Shirts can be collared, round or V neck. Ladies are not permitted to wear short shorts, tracksuits, sun frocks, gym skirts, midriff tops, strapless/thin straps or halter neck sun tops.

Football jumpers, football shorts, multi-coloured (or any) beach shorts or tracksuits and the like are not permitted. Full details are displayed at the Club. The GLGC Committee or Club Professional should be consulted if you are in any doubt.

Members will not be allowed on the course if incorrectly attired.

Starting Time

All players must report to the Starter in the Pro Shop at least 20 minutes prior to their allocated tee time.

Players should be at the tee at least five minutes before their scheduled tee time. Announcements by the Pro Shop of the next group on the tee are for information only – it is the responsibility of each player to ensure they are on the tee and ready to play.

The Starter has the flexibility to change a player's tee times or alter the timesheet as required to ensure that groups are balanced in numbers and/or to cover all and any unforeseen circumstances on the day.

The Starter is empowered by the GLGC Committee to alter any tee times in accordance with the Rules of Golf (Rule 6-3). Such changes (as, and if, required) are not negotiable and are to be accepted by any affected player without argument or dissent.

The penalty for missing a starting time is generally:

Up to 5 minutes late – 2 Stroke penalty or Loss of Hole

Beyond 5 minutes – Disqualification

(refer to GLGC Guidance Statement No 11)

Tee Time Cancellations

If a player is unable to meet their starting time, the player **MUST** cancel via TeePlus on the Internet site or advise the Starter on ph 6242 4662 at least 20 minutes before the tee time. Failure to do so may lead to a restriction on your playing times in accordance with the GLGC "No Show" policy.

The member may be asked for an explanation for the "No Show" and, if no valid or plausible reason exists for that "No Show", the following action may be taken:

First Offence – Member placed "on notice" for six (6) months

Second Offence – Maximum 30 days suspension of playing rights

Third Offence – Maximum 90 days suspension of playing rights

Fourth Offence – Likely "Show Cause" why playing rights should not be terminated indefinitely and/or why Club membership should not be terminated.

TeePlus Internet Bookings

Members have the option of booking tee times on the Internet using a logon and PIN. Visit www.lakesgolf.org for details. Please note that any booking made under your logon/PIN will be deemed to be made by you and you will be held responsible for any misuse of the facility (eg under the No Show policy).

Captain of the Group

The player on the lowest handicap automatically becomes the Captain of the group and is responsible for ensuring that the etiquette of the game, speed of play and general conditions of play are observed.

Honour

The player who has the honour should be allowed to play before his opponent or fellow-competitor tees their ball. (Rule 10-2).

However, in an effort to speed up play, the GLGC Committee encourages the adoption of **READY GOLF** principles. That is, if play can be sped up by allowing shorter hitters in the group to play first or by allowing any player who is immediately ready to hit (when safe to do so), then this practice is strongly recommended.

Timing for a Round of Golf

The acceptable time for a round of golf at Gungahlin Lakes is approximately 4 hours 15 minutes. However, it has been regularly proven that rounds of four (4) hours are achievable. For the maximum enjoyment of all players, all groups must make every effort to complete their round within four (4) hours.

Course Marshalling

The Course Marshal is on the course to help you enjoy your game. His responsibilities include helping in case of emergencies, protecting the course from misconduct by any player and ensuring the speed of play is appropriate, given the number of players on the course. Please give the Marshal your fullest cooperation.

Reducing Slow Play

Slow play is unnecessary and irritates most players. While players are not expected to "run" around the course, they are expected to keep up with the group ahead of them. Remember the rule:

Your place in the field is immediately behind the group in front, NOT immediately in front of the group behind.

Members must observe the GLGC Pace of Play Guidelines (GLGC Guidance Statement No 11).

- Any group that has a complete hole in front of them should allow faster groups to play through.
- Players searching for a ball should signal the group behind them to play through as soon as it becomes apparent that the ball will not be easily found. They need not search for the allowable five (5) minutes before doing so.
- No one must play before the players in front are out of range.** See GLGC Guidance Statement No 9 - Dangerous Play.
- When approaching a green, or when putting out, leave your buggy/bag on that side of the green which allows for the quickest route to the next tee.
- If you feel that a group is slow,
 - ✓ politely inform the slow group of your concerns;
 - ✓ politely ask them to speed up;

- ✓ if there is no improvement, inform the Course Marshal, or the duty committee person on completion of your round.
- Players should confine their pre-shot practice routine to what is absolutely necessary. That is, practice swings should be kept to 1 or 2, with time over the actual shot minimized to what is reasonable and comfortable.

Priority on the Course

Players participating in programmed events have priority at all times.

- ✓ A single player has no standing and should give way to a programmed match of any kind.
- ✓ Any social players or social groups have no standing except if the players or group have been allocated a booked tee time in the prescribed tee blocks allocated by the Club Captain, or in his absence, the Club Professional.
- ✓ Any match playing a whole round is entitled to pass through a match playing a shorter round.

Member Practice Rounds

Member social play is not permitted during a programmed event unless specific approval has been given by a GLGC Committee member or the Pro Shop. Any member on the course not playing in a programmed event (eg just playing socially or general practice play), **must** use the **WHITE** tees only. Use of the **BLUE** tees for these purposes shall result in administrative action being taken against the member in accordance with the Club Rules. Please report to the Pro Shop prior to playing on the course.

Prize Schedule

(Excluding Pro Shop Competitions)

All club competitions will have prizes allocated either as a Club (green) voucher or by any other means at the discretion of the Golf Club Committee including Pro Shop Credits, purchased goods and services and sponsor donations.

Green vouchers are valid for 3 months from date of issue and may be credited to your Pro Shop account or used at participating businesses listed on the back of the voucher. After one month any unclaimed vouchers held by the Pro Shop will be credited to your account. A minimum \$20 redemption value may apply.

Claiming Ball Prizes

Balls won in club competitions may be collected from the Pro Shop up to 14 days after the event. Any unclaimed balls will be credited to your Pro Shop account.

Hole in One Prizes

The major Hole-in-One prize sponsored by the Ainslie Football and Social Club (AFSC) may only be won by a current financial member of the Gungahlin Lakes Golf Club and only when recorded in programmed Club competitions. Generally speaking, prize eligibility is valid for any programmed 18-hole Saturday, Sunday and Public Holiday Club competitions and programmed Pro Shop 18-hole competitions on Wednesdays or during the December/January period. This does not include "walk-up" competitions or nine hole events.

Eagle's Nest - Members only

Score an eagle in any Saturday or Sunday Club event (excludes Public Holiday and Pro Shop events) to win the accumulated Eagle's Nest of balls – minimum of three balls. One ball will be added to the nest each week until won.

If more than one eagle is scored, the Eagle's Nest is shared.

Member's Guests/Visitor Green Fees

Member's Guest Fee - Any member may invite guests (who hold a current Golf Club membership and a bona fide Golf Australia handicap) to compete and play with them in scheduled Club Competitions. A maximum of two (2) guests per member shall apply. Timesheets are set up to allow members to book visitors in only within two days of the competition. Note that this offer is not applicable to Social Play and restrictions may apply to Honour Board/Monthly Medal events.

The following green fee rates per round apply to members' guests when playing with a member in a Club or Pro Shop Competition:

Mid week Pro Competition -\$19.00 (plus Comp Fee)

Saturday/Sunday/Public Holiday -\$28.00 (plus Comp Fee)

Note that green fees apply for the Club's financial year from 1st October to 30th September – these fees will change from 1st October 2010.

Members are to ensure that they accompany their guest(s) to the Pro Shop before play, introduce them to the Pro Shop staff and, as a courtesy (if possible), the President or Captain.

In all other circumstances, visitors will be required to pay the published full green fee applicable to the day of play.

Course Maintenance

Gungahlin Lakes is a "soft spikes" course.

Sand Buckets

All players must carry and use sand buckets to repair divots and any other damage to the course.

Repairing Fairways and Greens

A player should ensure that any turf cut or displaced (a "divot") is replaced and/or filled with sand and that any damage to a putting green made by a ball is carefully repaired.

Pitch Marks on Greens

When proceeding on to any green, all players should search for, find and repair their ball's pitch mark. If time permits, all players should repair as many pitch marks as possible within the vicinity of where their ball has come to rest.

Damage to the putting green caused by golf shoes can only be repaired after completion of the hole (*Rule 16-1c*).

Bunkers

Before leaving a bunker, a player should be careful to smooth out all indentations they make and other marks that have not been smoothed out by a previous player. After use, bunker rakes should be placed in the bunker in line with the play of the hole. Use suitable entry and exit points from the bunker such as the tongues of grass – do not walk on the face of a bunker.

Golf Carts

On-course notices regulating the movement of motorised ride-in/on golf carts are to be strictly observed. The use of any such conveyance in general Club competitions is permitted except where the entry form explicitly states that motorised carts are not permitted. The use of motorised carts for Honour Board events will normally be confined to those players who have medical evidence to support the need for such use on any given day (refer to conditions of play on entry form).

Private carts are not permitted on the course except in limited circumstances where the Club has given prior approval for personal use. If approved, an indemnity must be signed by the member.

Greens Staff

Greens staff have priority on the course at all times while carrying out their duties.

Distance Markers

All Distance Markers (150m, 100m, and sprinkler heads) are measured to the centre of the putting green.

Flag positions are as follows:

Red – front 1/3rd of the green

Yellow – middle 1/3rd of the green

White or Blue – back 1/3rd of the green

Special Local Rule – Mobile Phones

The use of a mobile phone, either calls in or calls out, during any form of competition play is PROHIBITED. (Note that prior permission to use a phone may be given by the Match Committee or Pro Shop for emergency purposes – the member must advise all players in the group before play commences)

Penalty for breach is disqualification

Special Local Rule – Distance Measuring Devices

Except as advised by the GLGC Committee from time to time, for all play at the course, a player may obtain distance information by using a device that measures distance only. However, if, during a stipulated round, a player uses a distance measuring device that is designed to gauge or measure other conditions that might affect his play (eg. gradient, wind speed, temperature etc), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

Note: Prior to using such a device on the course, details of its operating functions and capabilities should be presented to the GLGC Committee for scrutiny.

2010 Members Program

January 2010 to January 2011

Information on Golf Australia, NSW Golf Association, Women's Golf NSW, ACT and Monaro District Golf Association and Central Southern Golf Association events can be accessed through links on the Club's website (www.lakesgolf.org).

Information on these events will also be placed on the Notice Board including a full copy of the NSW Golf Association's annual program which contains all major ACT events.

Entry forms and information on GLGC open events and other open events are published on the ACT and Monaro District Golf Association website (www.actgolf.com.au).

The Program is correct at the time of printing (December 2009); however, it is subject to change without notice. Members are advised to regularly check Notice Boards, the Club kiosk, Tee-Plus messages and the GLGC website for updates.

PRO Shop Spring Cup – Best 3 Rounds of 8
18 & 25 Aug, 1, 8, 22 & 29 September, 6 & 20 October 2010

Slow Play

Remember that your place in the field is immediately behind the group in front.

NOT...immediately in front of the group behind!

ACT Senior Championships – 16th to 18th November 2010

Check the ACT and Monaro District Golf Association website (www.actgolf.com.au) for entry form and information on the ACT Senior Championships which are held at Fairbairn, Gungahlin Lakes and Royal Canberra Golf Clubs. Open to all men and women with a Golf Australia handicap. Note that handicap limits apply.

REPAIRING PITCH MARKS

Despite the length of many pitch repairers, you should not go very deep into the green (perhaps 10mm) so that you do not damage the grass roots. The idea is to push the top layer of soil back into the centre of the pitch mark.

Many people think it is necessary to lift up the soil. Not so. Just lever the outside of the pitch mark into the middle and, presto, mark repaired!

Ladies Special Events in September

Club qualifiers for the CSGA Diabetes Trophy will be the top three nett stroke rounds recorded on Saturday 4th and Wednesday 15th September.

SEPTEMBER		
1 st	Wednesday	PRO Comp – Spring Cup (Rd 3) – Single Stableford

2 May vs Tully Park at Goulburn

Pennant Fixtures (Ladies Bronze Shield)

7 May vs Queanbeyan at Belconnen

The Games Golfers Play

FOURSOMES

Teams of two. One half of aggregate stroke handicap. Players play alternatively from tee and alternate shots on the remainder of each hole. Penalties do not affect the playing of alternate shots.

AMERICAN FOURSOMES

Teams of two. Three eighths of aggregate stroke handicap. Both players play from the tee. Each player then plays one shot with their partner's ball. The players then decide which ball is to be played and this ball is then played alternately for the remainder of the hole.

CANADIAN FOURSOMES

Teams of two. One half of aggregate stroke handicap for all players. Both players play from the tee and then decide on which ball is to be played. The selected ball is then played alternately for the remainder of the hole.

FOUR BALL IRISH STABLEFORD

Teams of four. All four players' Stableford scores must be recorded on the card. On Holes 1-6 the best score is recorded, on Holes 7-11, the best two scores are recorded, on Holes 12-15, the best three scores are recorded, on Holes 16-18, all four scores are recorded.

2 BALL AGGREGATE STABLEFORD

Teams of two. The Stableford scores of both players are recorded for each hole. The result for each hole is the combined total of the two players' Stableford scores.

LAKEBALL

Teams of four. One sixth of aggregate stroke handicap for all players. Each hole has a variety of designated drivers and designated putters. Only the designated drivers and putters are allowed to play those shots on each hole – guide sheet provided. On the fairway, the selected ball is to be marked and all players may then place the ball within one club grip length of the mark (no nearer the hole) to play their shot. In the rough, the selected ball is to be marked and all players may then drop their ball within one club length of the mark. On the green, the selected ball is to be marked and the designated putter(s) may then putt from within one putter head of the mark.

4 BALL MULTIPLIER STABLEFORD

Teams of two. Scores for both players are recorded on the card. In the Result column, enter the score representing a multiplication of both scores (eg. 2 points plus 3 points gives a 6 point result; 2 points by 1 point gives a 2 point result; 3 points with a wipe gives a 0 point result).

2 PERSON AMBROSE

Teams of two. One quarter of aggregate stroke handicap. Both players play from the tee and then select the best ball position. Both players then play from the selected position on each shot. On the fairway, the ball is to be placed and played from within one **CARD** length of the marked ball position but the placed position must not be nearer to the hole. In the rough, the ball is to be dropped and played from within one **CLUB** length of the marked ball position. On the green, the ball is to be placed and played from within one **PUTTER HEAD** of the marked ball position.

PAR BISQUE

Played off your normal club handicap. You may alter the Index on the card but only to a maximum of your handicap. e.g. if your handicap is 12 you may allocate those twelve shots to any holes you wish, not necessarily one shot on 1, 2, 3, 4, 5, 7, 11, 12, 13, 16, 17 & 18. You may allocate any number of shots to any particular hole provided that you do not exceed your total handicap over the 18 holes. You must allocate the number of shots you wish on each hole prior to teeing off on that hole. This need not be done at the beginning of the round but must be done prior to teeing off at the relevant holes.

SCORING STROKE EVENT

The most common form of competition golf and very simple to score. The number of strokes taken on each hole is entered on the card. Each nine is tallied and then the eighteen holes are tallied. The players full handicap is then deducted and the gross and net scores are entered at the top right of the card. The winner of the scratch section of a stroke event is the player who records the lowest gross score. The Net winner is the player who records the lowest handicap deducted score.

SCORING 4BBB STROKE EVENT

Two players play as partners, each taking strokes at holes as in a stroke competition. The better Nett stroke score of either player is counted. In any Fourball handicap event care must be taken to mark the scores of each player in separate columns headed by the initials of the players. Only two player's score should be recorded for each hole. If scores are mixed and the Committee cannot check the card the players may be disqualified.

SCORING PAR EVENT

In Par the score is entered on the card in the same way as in stroke play with the exception that where the score exceeds par for the hole, after allowing for handicap (if the player is in receipt of one or more handicap strokes) the score should not be written in. It is the custom that when a player is beaten by Par, the ball shall be picked up. After entering the stroke score on the card, the result is marked in the column provided with a "+" sign for a win (Nett score better than Par), "0" for a half (Nett score equals Par) and a "-" for a loss (Nett score greater than Par). At the end of the round the plus and minus signs are added and the Nett result written as so many "Up", "down" or "Square". A player is allowed his full stroke handicap and the strokes are taken at the holes indicated on the card (Stroke Play Index).

SCORING STABLEFORD EVENT

In Stableford a player takes strokes at each hole according to their handicap, scoring points on the Nett result. At the end of the round the player having the highest number of points is the winner. **A member off a scratch handicap would receive:** Par = 2 points, 1 over Par (bogie) = 1 point, 2 over par (double bogie) = 0 points, 1 under Par (birdie) = 3 points, 2 under Par (eagle) = 4 points, etc. **If a member receives a Handicap shot on a hole they would receive:** Par = 3 points, 1 over Par (bogie) = 2 points, 2 over par (double bogie) = 1 point, 3 or more over Par = 0 points, 1 under Par = 4 points, 2 under Par = 5 points, etc.

SCORING 4BBB AGGREGATE STABLEFORD EVENT

A Stableford competition played with a partner as in a 4BBB Stableford competition. Full handicaps are used for each player and the number of points for each player is recorded after each hole as well as the total (aggregate) score for each team. The total of the individual scores should equal the total of the Aggregate result. Marking the score card, both strokes and points for each player must be shown.
